### DHL EXPRESS TERMS AND CONDITIONS OF CARRIAGE (Terms and Conditions) IMPORTANT NOTICE

When ordering DHL's services you, as "Shipper", are agreeing, on your behalf and on behalf of the consignee of the Shipment ("Consignee"), to accept all documents or parcels that travel under one waybill and which may be carried by any means DHL chooses, including air, road or any other carrier. A "waybill" shall include any DHL identifier or document produced by DHL or DHL automated systems such as a label, barcode, waybill or component note as well as any electronic version thereof. Every Shipment is transported on a limited liability basis as provided herein. If Shipper requires greater protection, claim insurance may be arranged at an additional cost. (Please see below for further information). "DHL" means any member of the DHL Express Network.

#### 1. Customs Clearance and Regulatory Compliance

DHL may perform any of the following activities on Shipper's or Consignee's behalf in order to provide service: (1) complete any documents, amend product or service codes and advance any dues, taxes or other regulatory charges required under applicable laws and regulations ("Customs Duties"), (2) act as Shipper's or Consignee's legal and local agent or designate a customs broker to perform export control and customs clearance and (3) reduce the shipment to Consignee's customs broker or other address upon request by any person who DHL believes in its reasonable opinion to be authorized. Shipper or Consignee will provide any extra authorization required by applicable law for DHL to clear a shipment.

#### 2. Unacceptable Shipments

A. Consignment is deemed unacceptable if:  
-d contains complete firearms, ammunition, explosives, explosive devices or last places, air guns, replica or imitation firearms; counterfeit power, cash, credit card or any previous credit, bank notes, prohibited animal parts or remains, such as ivory, human remains or ashes; loose precious or semi-precious stones, caratites or its derivatives, or illegal goods, such as narcotics or other illegal drugs.  
-it is classified as hazardous material, dangerous goods, prohibited or restricted articles under ADN (European Road Transport Regulation on dangerous goods) or IATA (International Air Transport Association), ICAO (International Civil Aviation Organization), or other relevant organization ("Dangerous Goods").  
-it contains any other item which DHL cannot carry safely or legally.  
-the address is incorrect or not properly marked or packaging is defective or inadequate to ensure safe transportation with ordinary care in handling.  
-Shipper, Consignee or any other party with a direct or indirect interest in the Shipment is listed on any applicable sanctions lists as a denied or restricted party.

#### 3. Delays and Deliveries

Shipments are delivered to PO boxes or postal codes. Shipments are delivered to the Consignee's address given by Shipper but not necessarily to the named Consignee personally. Shipments to addresses with a general receiving area will be delivered to that area. DHL may modify Consignee's address in an upcoming delivery or a revised delivery. Consignee may be offered alternative delivery options such as delivery on another day, no signature required, redirection or collection at a DHL Service Point.

If the Shipment is deemed to be unacceptable as described in Section 2, it has been understood by Consignee that Consignee cannot reasonably standardize or locate, or Consignee refuses delivery or pays Customs Duties or other Shipment charges, DHL shall use reasonable efforts to return the Shipment to Shipper. This shall be at Shipper's cost. If it is not possible to return the Shipment it may be released, abandoned, disposed of or sold without incurring any liability whatsoever to Shipper or anyone else. DHL shall have the right to destroy any Shipment if DHL is prevented by any law or law enforcement agency from returning it to a whole or in part to Shipper, as well as any Shipment of Dangerous Goods.

#### 4. Inspection

DHL has the right to open and inspect a Shipment without notice for safety, security, customs or other regulatory reasons.

#### 5. DHL Charges, Duties and Fees

DHL's Shipment charges are calculated according to the higher of actual or volumetric weight per piece and any piece may be re-weighted and re-measured by DHL to confirm this calculation.

Payment of Customs Duties and other charges due as indicated on DHL's website in the receiving country may be requested from Consignee prior to delivery. This may be done if DHL sees fit to collect the Customs Duties or pays any Customs Duties on Consignee's behalf. Shipper shall pay or reimburse DHL for all Customs Duties and other charges due for services provided by DHL or incurred by DHL on Shipper's or Consignee's behalf if Consignee has failed to pay.

#### 6. DHL's Liability

6.1. DHL's liability in respect of any one Shipment transported by air (including ancillary road transport or stops en route) is limited by the Montreal Convention or the Warsaw Convention as applicable, or in the absence of such Convention, to the lower of (1) the current market or declared value, or (2) 10 Special Drawing Rights per Mogram (approximately USD 21 per Mogram). Such limits shall also apply to all other forms of transportation, except where shipper's liability is limited only by law, when the limits below apply.

For cross border shipments transported by road, DHL's liability is to be deemed to be limited by the Convention for the International Carriage of Goods by Road (CMR) to the lower of (1) current market value or declared value, or (2) 10 Special Drawing Rights per Mogram (approximately US\$ 11.00 per Mogram). Such limits will also apply to national road transportation in the absence of any mandatory or known liability limits in the applicable national transport law.

#### 7. Claims

All claims must be submitted in writing to DHL within thirty (30) days from the date that DHL accepted the Shipment, failing which DHL shall have no liability whatsoever. Claims are limited to one claim per Shipment, settlement of which will be full and final and settlement for all loss or damage in connection therewith.

#### 8. DHL Insurance

DHL may be able to arrange insurance for loss of or damage to the Shipment, covering the full value of the goods, provided that Shipper so instructs DHL in writing. Including by completing the insurance section of the waybill or using DHL's automated systems and pays the applicable premium. These includes but are not limited to electrical or magnetic damage to, or erosion of, electronic or photographic images, data or recordings, any defect or characteristic related to the nature of the Shipment, even if known to DHL, any act or omission by a person not employed or contracted by DHL - e.g. Shipper, Consignee, third parties, customs or other government officials, third party cyberattacks or other information security related threats, "Force Majeure" - e.g. earthquakes, cyclones, storm, flood, fire, war, plane crash, embargo, riot, rebellion, pandemic, civil commotion, or industrial action.

#### 10. Shipper's Representations, Warranties and Limitations
